Team Roster – Per AAU Age Rules

Please attach a team roster with full name, uniform number, age/birthdate and grade for all players. Highlight all GRADE EXCEPTIONS in the spaces above.

We aim for teams be accurate in their portrayal of both their roster, grade, and level. If coaches are coaching more than one team and one of the teams is registered as a "B" or "C" team, it should not players from a different "A" team guest playing (that would change the level of the "B" team and undermine the integrity of the scheduling dynamics).
